

Our focus is on the prevention of dental problems, so with regular examinations and hygienist care, we aim to keep you in the best dental health possible and reduce the need for costly treatments.

#### Opening Hours

Closed for Lunch: 1pm - 2pm

Mon - Thu: 9:30am - 5:30pm

Fri: 9:30am - 5:30pm

Our Practice Dental Healthcare Maintenance Plans are designed to allow patients to budget for their dental health care needs.

I have had some quite complicated treatment, and it's gone really well, I'm very happy with what they have done for me.

**DENTAL HEALTHCARE  
MAINTENANCE PLAN**

## Benefits

- ✔ Discounts apply after the initial assessment by the Dentists and upon joining the appropriate Healthcare Plan
- ✔ 5% discount on dental treatments including lab fees and additional Hygienist fees
- ✔ Practice Plan members will receive 5% discount off 'Out of Hours' emergency appointments
- ✔ You will be offered an appointment time to suit you whenever possible including after 5pm
- ✔ Preferential access to Practice promotional offers
- ✔ Plan members will be invited to Practice events and will automatically receive the Practice periodical Newsletter
- ✔ Subject to agreement by the Dentist, treatments plan costs may be spread over an agreed number of months through increased monthly Direct Debit payments, reducing back to the normal monthly payment when the treatment costs have been paid

## Adult membership Plans

We offer 3 options for Adult Patients.

	Plan A	Plan B	Plan C
2 dental examinations per year	✔	✔	✔
Number of Oral Hygiene Appointments (20 minutes) with our Hygienist / Therapist ( <i>including scale and polish and periodontal advice</i> ).	1 per year	2 per year	4 per year

5% discount on all treatments	✔	✔	✔
Diet & Oral Hygiene advice	✔	✔	✔
5% discount on Dental Emergency appointments*	✔	✔	✔

\* 5% discount on emergency appointments (UK only) to relieve your discomfort, upon presentation of receipt

## How do I know what plan rate I will need?

As a new Patient at their first appointment, the Dentist and Hygienist will assess dental needs and suggest the monthly plan that best suits to the Patient.

## Child membership Plans

We offer 2 options for children & young adults

### Child Plan A (for children aged 1-7 years)

- 2 dental examinations per year
- Treatments include; minor fillings, simple extractions, fissure sealants, scale and polish
- Appointments after school (where available)
- Choice of Dentist

### Child Plan B (for children aged 8 to 18 years)

- 2 dental examinations per year
- One Oral Hygiene Appointment (20 minutes)

### Both child plans include:

- 5% off all treatments
- 5% discount on emergency appointments (UK only), upon presentation of receipt

It's easy to join.
